36"	32 x 1-1/2"	32 x 2"	28 x 2-1/2"	20 x 3-1/2"			

Quick and easy removal of seized and corroded nuts with our compact hydraulic powered unit.

- Bolt sizes from 3/4" to 3-1/2"
- Fits BS1560 / ANSI B16.5 flanges
- Low maintenance
- Disposable triple edge blade
- Adjustable cutting depth
- Subsea versions available

Please see Datasheet DS-1000 for more details

**BOLTIGHT®**  
HYDRAULIC BOLT TENSIONING

BOLTIGHT is the UK Registered Trade Mark of Boltight Limited
